

## Why Road to IELTS is the your best possible online preparation for IELTS?

Road to IELTS is a comprehensive resource for IELTS preparation, offering advice, video lessons, and practice materials in various formats, as well as up-to-date information on the latest exam trends.

### What do I get?

### Practice zone

Practice zone - this is where learners will spend most of their time. With more than 120 hours of focused activities, candidates practise tackling the various question types, pick up exam tips and familiarise themselves with the format of the exam. The videos of four full Speaking tests are a great confidence booster.
